

TO THE POINTE

A monthly newsletter for a community of condos where people of diverse backgrounds and ages live in close proximity to one another and share common elements with their neighbors.

NEIGHBOR NEWS

Happy Birthday to **Betty, Dianne, Ray, Teri, Adele S., Doris R., and Sue!**

We just don't have the heart to tell Teri Jane that the pool isn't open. She is totally ready for some pool ring toss. Gary and Gail gave this to her for her 60th birthday!

Sandy does her banking during COVID. She thinks she's a BMW!

We have not scheduled the next board meeting due to coronavirus precautions.

COME AND GET IT

Our neighbors Alex and Austin Lapp just had a brand-new baby boy, Ames Lapp.

Twelve neighbor ladies got together and came up with the best "baby gift" ever. They each cooked a full dinner for the new family, every night, for two weeks! The Lapps loved knowing that after being up all night (Ames has his sleep schedule confused!) they could count on a fantastic meal every night at 5:30! Alex said that they have decided to save up their money and hire a cook for the rest of their lives! They send a grateful, "thank you" to everyone who cooked for them! She said that she loved every single dinner that they got! Austin especially loved Pat's Pot Roast!

NINETY-EIGHT AND COUNTING

Our long-time neighbor, Doris Robbins (5051 B) turned ninety eight years old mid-month. Many of you might know Doris as the woman who walks our property most early evenings.

Doris and Husband Peter as newlyweds in 1954!

Doris has lived in our community since its very beginning. In the past, Doris sat on a number of committees when our community was just starting as a new HOA. Her family took her on a scenic airplane trip to celebrate her important day.

Happy Birthday Doris...and many, many more!

FOR SALE

Our friends, the Kluthoes, have decided not to move into the condo that they totally remodeled. (5061 G) A new puppy and an existing fenced yard were a large part of their decision!

They are asking \$396,000. (No garage.) Sales information and Realtor number is on the unit.

We wish Bill, Nicki and the puppy the very best.

ROOFERS

Our roofing gentlemen taking a cool "Ice Cream" break, thanks to Jane Pope!

A number of neighbors (Judy, MB, Patti O, Sandy, Resa and Pat) have contributed treats to this very hard-working crew. If you want to participate call MBC or Judy.

WATER HEATERS

Judy Rossner is trying to get at least five people to band together to get new water heaters. (It's time folks!!!) Anthony Burgess, our very helpful plumber, can give us a better deal with a group of five. (IT'S TIME FOLKS!!!) Anthony is happy to come inspect your WH and give you his best estimate on replacement need. Call Judy!

Teri Jane turns 60!!!! Happy Birthday! Judy Stafford MADE two fantastic cakes to share!

GUEST SUITE

Seventeen residents toured the newly redecorated Guest Suite. Champagne, chocolates and cookies were served. Our HOA chair, Judy, oversaw social distancing and mask wearing.

We are able to rent the suite again but with new guidelines. Twenty-Four hours must pass between rentals and everyone must provide their own sheets and towels. No bath soaps or care products will be provided. MBC 503-740-6937

SHOOTER

We had an active shooter in Foothills Park. One injured person... shooter got away... but they think that the police know who it is... ugh!!!

Happy 81st Birthday Dianne!

SEE YOU SOON DORIS

Our long-time neighbor, Doris Marsh has moved to the Springs on Kruse Way. Her daughter says it's her "Cruise ship on dry land!" As we all know, Doris will make the very best of wherever she is. Her number is 503-804-3007.

Dianne's morning glories "Twine around her door!"

MOVED

Duff Marentette was moved to the lovely Pacific Gardens, two months ago. Covid has made the adjustment difficult at best. Sandy and his family cannot visit or really even see him. Sandy takes him either Taco Bell or Wendy's every week as an extra special treat. Sadly, Sandy has to leave it at the front door with an aide. You do what you can in these difficult times.

THE SHOW MUST GO ON...COVID OR NOT

Pat McDonald invited some of her pals over to watch Hamilton. When we arrived chairs and TV trays were set up, 6 feet apart! Pat served a scrumptious meal, followed by watermelon and popcorn served in special red and white paper sacks!

Pat had seen the show, so she was the Cook, Butler, Maid, Usher, and all around "Mother to the troops!" Hamilton was utterly FANTAST! But we have to say that the service at this theater was not to be bested! We give this entire experience "TWO THUMBS UP!"

TIM ELLIS

On March 1, 2020, Tim F Ellis passed away peacefully after valiantly fighting yet another battle for his health. Tim is survived by his wife, Jorie, his daughter, Elizabeth LeRoy and her two sons Sebastien and Xavier, his son, David and wife, Kim, and his brother Steve Ellis. Jorie and Tim have spent their summers at Oswego Point since 2017 and spent their winters in the sunny desert since 2008.

Tim was born July 30, 1942 in Washington D.C. and moved with his family to Oregon in 1961 from a childhood spent in southern California. His career was in the world of finance, working in banks, running his own bond firm, and being an investment advisor.

Tim's legacy is his love of life, family, and friends. Many people mentioned that they could not believe his zest for living and his strength to keep going. One of his best buddies nicknamed him the Energizer Buddy. Tim introduced his family to many activities as water and snow skiing and exploring oceans and rivers as he was a captain of all types of boats. He and Jorie became scuba divers and travelled the world looking for the next best dive site. As another part of his legacy, Tim believed in participating in clinical trials for cancer and Parkinson's to help develop treatments or cures.
