

TO THE POINTE

A monthly newsletter for a community of condos where people of diverse backgrounds and ages live in close proximity to one another and share common elements with their neighbors.

NEIGHBOR NEWS

Happy Birthday Mary Beth!

Happy Birthday June!

Former renters, Maxine and Ron Lowe purchased unit 5058 D and will be moving in soon! Welcome to the neighborhood friends!

Patti and Gino Valenti have flown South for the winter!

The next scheduled Board Meeting is October 21, 2021, at 5:30 in the Riverside Room. Masks will be required. Social Distancing will be requested.

GATHERING PLACE

The Fireside Room is ready for small socially distanced gatherings. The fireplace is working. Please sign up to use the room on the signup sheet outside of the front door. Feel free to use it if it isn't previously scheduled. Please leave it as clean and neat as you found it.

Don't forget that the library is right next door, clean and ready for you to choose a new read for a rainy Oregon day.

If you have photos or suggestions for newsletter articles, please send them to Sweetcoffey@Comcast.net.

LANDSCAPING

Well folks, the summer is over, and things need to be put to bed. The irrigation is turned off until Spring.

Please remove all vegetable plants (dead tomato plants etc.) from common property and decks/patios. Cut back plants to winter over and empty pots for the winter. Store them in your storage closets, not on the decks/patios.

Again, look at your “yard” and remove any tired, worn, broken or seasonal decorations.

HOLIDAY DECORATIONS MAY GO UP 30 DAYS BEFORE THE HOLIDAY AND MUST BE REMOVED 15 DAYS AFTER.

If possible, please leave your porch light on during this dark season.

If you have any yard or garden questions, please call me!

Sandy, 503-348-5600.

GET A “HANDLE-BAR” ON THINGS

We have a few spaces in the bike room. All bikes must be stored off decks and out from under the stairs now. Call Dianne for bike space rental: 503-699-5528.

The pool is closed but the spa will stay open until October 9th. Enjoy!

We give special thanks to the few folks who did check pool/spa chemicals all summer long.
