In and Out...Out and In?

In America, the standard egress to an area is usually on the right side of the entry. Exit is usually on the left side of the entry.

And so it is at the entrance of Oswego Pointe Village! When you leave the complex, please go out your right side of the exit. When you come into the community, please use your right-side entry.

This seems simple enough, but you would be very surprised at how many folks cut corners, and just turn into the first drive they come to. There have been a few pretty close calls!

MB and her BFF enjoy Barbie!

Sandy, Hans, Eileen, Sharon, Judy, MB and Pat Chase guarding the gates during city Concerts! Thanks people!

Judy and her daughter pick blue berries! Yum!!!!

YUMMMMMMMMMMM

Super Deluxe Burger has opened on 1st Street in Lake Oswego. It's a great small-ish burger for around \$10.00.

A group of us went to try the new place and we all said that we would come back again. They have take out and vegan burgers as well. The taste was great and the price was good.

Yet another nice reason to live in LO!

Diane serves cake to folks who stopped by for her birthday!

*Emmie Randall and Austin Joseph wed!
